DOME BLOCK BOOKING

HOW IT WORKS

- 1. Members can book the most popular times to play during the weekday evenings in three 10 week 'blocks' throughout the winter. Only full and mid-week members are eligible to book courts.**
- 2. The weekly dome slots that can be block booked are slots beginning 7:00pm and 8:15pm on Monday/Tuesday/Thursdays and at 8:15pm on Friday. In total there are 21 slots which can be blocked booked.**
- 3 Ad hoc bookings can be made no more than two weeks in advance.**
- 4 Members usually form a group of 6/7 players who can participate in playing together throughout the winter.**
- 5 Approximately 10 days before each of the three blocks bookings commences, a meeting is held in the clubhouse at 8.30pm on a Wednesday at which the designated court 'booker' hands over the payment in advance of the commencement of the slots.**
- 6 If more than three different groups request the same time slot on the same day, the Dome Member will conduct a draw to decide who 'wins' the courts for that block of slots.**
- 7 Only one booking may be made by each member.**
